Sharing the Gospel

Name someone that you think is very important. Jesus said that John the Baptist was the greatest man ever born. John the Baptist did not live in a big house or wear nice clothes. He was not the president, and he did not own a huge company. You would probably think he was very poor. But John the Baptist was truly great because he loved and trusted God with his whole heart. He helped other people follow God, too.

Prayer

Dear God, show me ways to help my friends follow God, too.

Something to Draw

Draw a picture of the greatest man ever born.

Mission for the Week

If you have any videos that tell Bible stories, watch one or two together with your family.

Strengthening Faith

Question:

Our prayer group is discussing ways we can change and strengthen our faith. What one thing could we change that would have the greatest impact on our faith?

Answer:

A famous coach once said that when the team is in trouble and things aren't going well, go back to the basics; when the team is winning and things are going well, go back to the basics! Any renewal program, faith development, or spiritual growth effort has to start with the basic core of what it means to believe. If the foundation is not strong, the house will not stand.

So if you work on one thing, begin with the idea that God is love, who loves us and calls us to love one another. If we really take that belief to heart, it changes how we see God, ourselves, and one another. It would change how we pray, how we treat others, and how we understand and live our own life. Our sense of mission and purpose will be more focused on God's plan and our role in it. Love is the core of faith, the goal of life, and the hope of heaven. Whatever we do to strengthen and deepen our faith will begin and end with love.

EVERYDAY STEWARDSHIP

The Season That Gives Back

I don't have anything left to give.

You can't pour from an empty cup.

All I do is give. Who is giving to me?

Raise your hand if these thoughts have ever run through your head. I'm sure they occur to all of us from time to time. We can become so easily depleted by the fast pace of life and whatever vocation God has called us to, whether that's parenthood, a demanding professional career or the caretaking of friends and family (or as so often happens, a hybrid of all three). Many of us also undergo certain seasons — seasons of the year, but also seasons of life — that seem to sap us of energy and leave us totally empty.

In these times, it seems impossible to continue in the spirituality of Everyday Stewardship. Graciousness, mindfulness, prayerfulness, gratitude, accountability — maintaining some semblance of these characteristics in our daily life feels not only overly optimistic, but totally impossible.

The Church gives us certain liturgical seasons that are meant to fill us up, almost like spiritual pit stops. Advent is one such season, and the Scriptural passages we reflect on at Mass during these four weeks are filled with images of nature defied. We see the dry steppe blooming. We see the weak made firm. We see the frightened made strong. We see the lame walk. We see the Virgin give birth.

If you think you don't have anything left to give this Advent, think again. This is the season of miracles when what we thought was depleted brings new life.
